CRAYONS

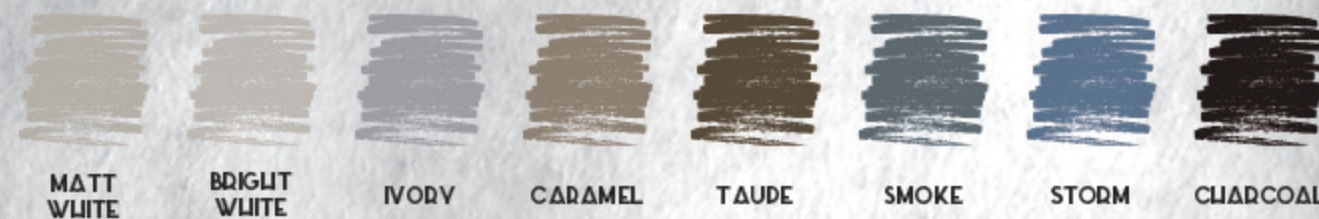

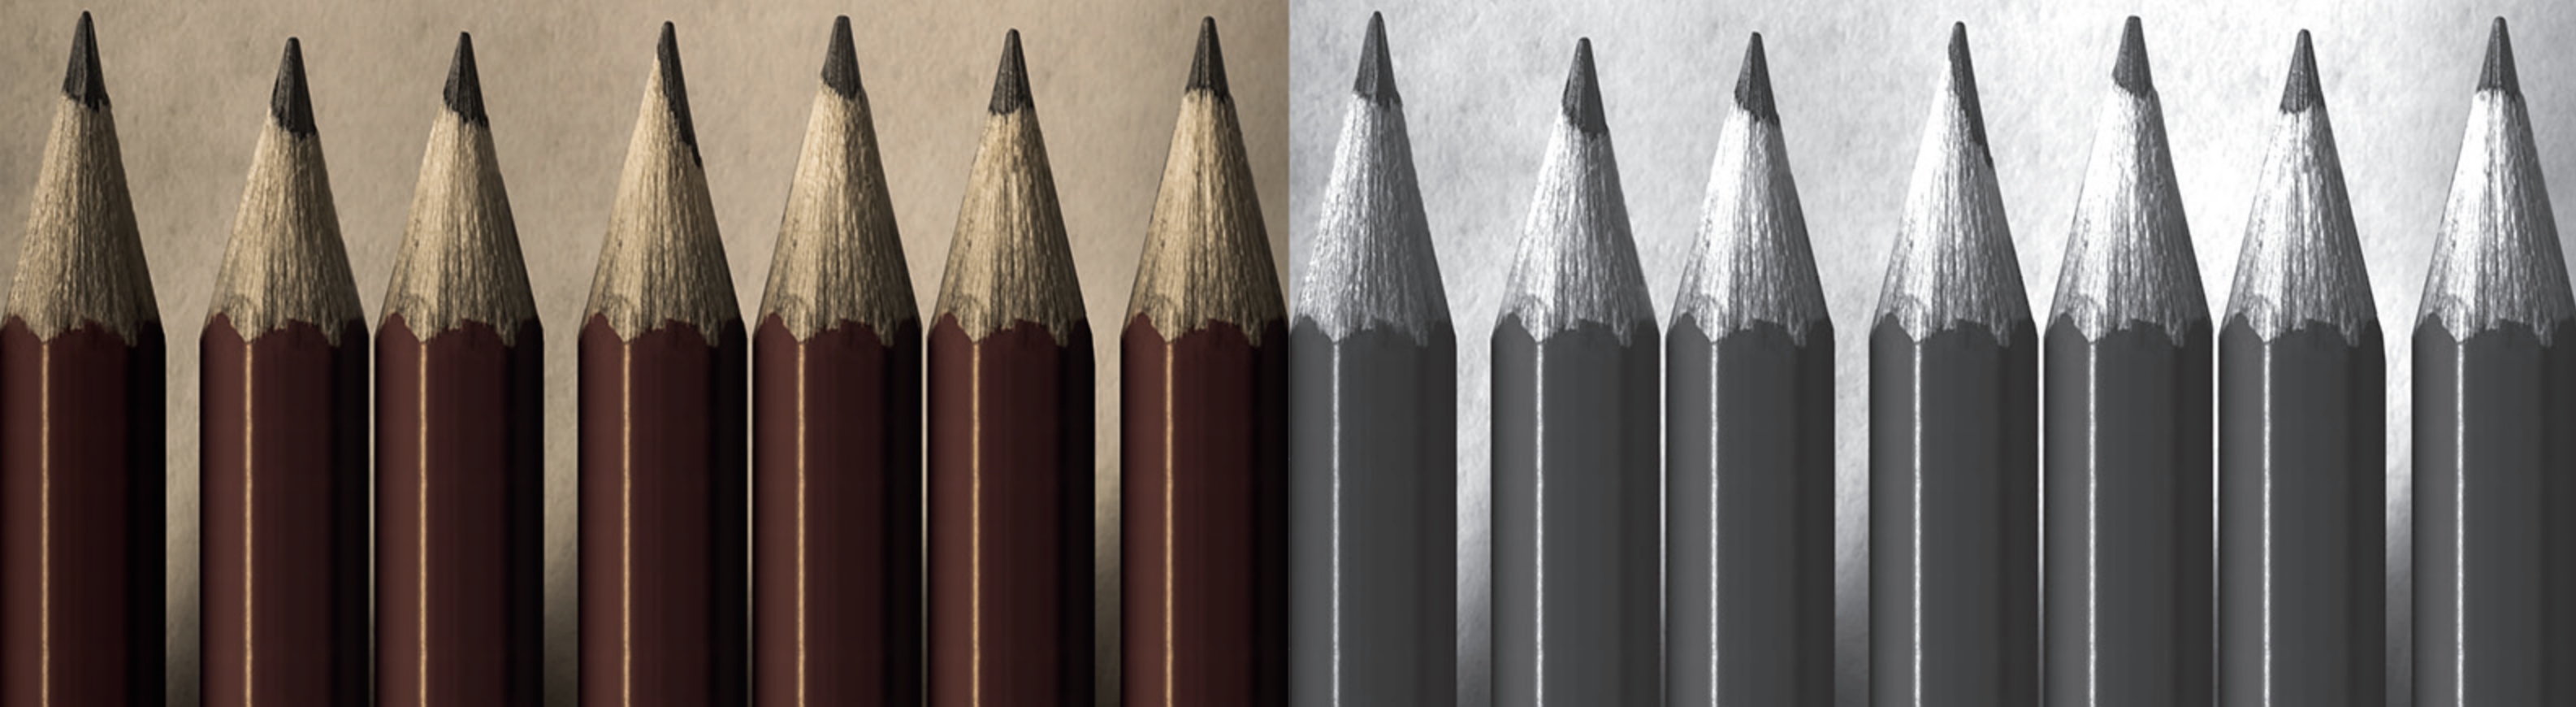

BICOTTURA IN PASTA BIANCA

CRAYONS

Pigmenti di colori disegnano gli spazi; il profilo e la sagoma del nobile formato 7,5x30 a losanghina diventano sostanza. Il prestigio di brillanti cristalline plasmano la ricchezza della pasta bianca artistica tradizionale dando luce agli ambienti ed arredando i volumi.

7,5x30
3"x12"

Colour pigments sketch spaces; the outline and the shape of a very precious size, the elongated hex 7,5x30 become real and true matter. Prestigious and glittering glazes enhance the depth and the richness of an artistic pure white body lighting up spaces and furnishing interiors.

Les pigments de couleurs dessinent les espaces, le profil et la silhouette du format noble : 7,5 x 30 du petit losange devient matière. Le prestige du Bright Crystal et la richesse artistique de la pâte blanche traditionnelle donnent de la lumière aux ambiances et aux volumes d'aménagement.

Farbpigmente gestalten die Räume; Struktur und Silhouette des edlen Rauten-Formates 7,5x30cm erhalten Substanz. Die Wertigkeit dieser Steingutfliesen in kunsthändlerischer Tradition gibt den Räumen Licht und gestalten die Körper durch den Tiefenglanz ihrer Glasuren.

Цветные пигменты раскрашивают пространство; профиль и облик благородного формата 7,5x30 в форме «ло-санге» приобретают ярко выраженные черты. Престиж и сияние эмали придают неповторимый характер традиционной белой глине, наполняя светом окружающую среду.
